

# Sentinel™ SA1 Control Module to KVS™ 2000 Adapter Bracket Pair

MOUNTS SA1 ON KVS 2000 SYSTEM

P/N 83-130034-401

Effective: August 2013  
K-83-213

## FEATURES

- *Eliminates Rip-Out of KVS Mounting Plate*
- *Simple Installation*

## DESCRIPTION

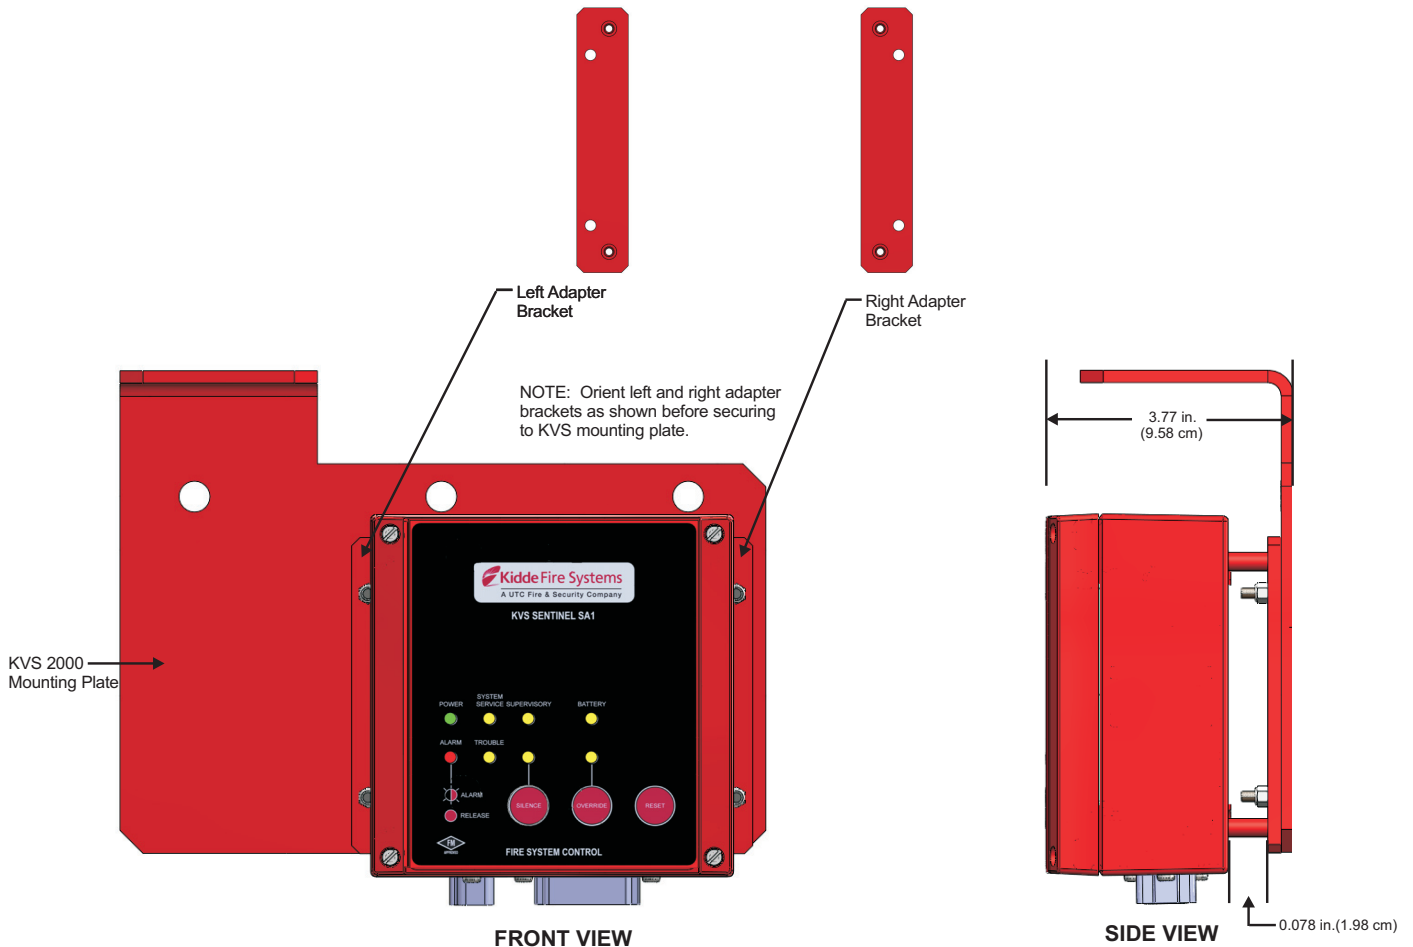

The Sentinel retrofit bracket offers a convenient conversion of legacy KVS™ 2000 panel brackets to support the SA1 Control Module. A pair of rugged steel brackets with a durable powder coat finish slip over the existing stand-offs (already part of the KVS 2000 bracket) and secure by reusing the existing retaining nuts.

The retrofit kit includes four fasteners to ensure properly affixing the SA1 to the KVS 2000 panel.

## ORDERING INFORMATION

The adapter bracket part number is shown below, along with other part numbers provided for reference.

Part Number	Description
83-130034-401	Sentinel SA1-to-KVS 2000 Adapter Bracket Pair with hardware
83-130400-000	Sentinel SA1 Control Module (without power supply)

Sentinel SA1 Control Module Mounted Using Adapter Bracket Pair, P/N 83-130034-401
